THE COLLECTION

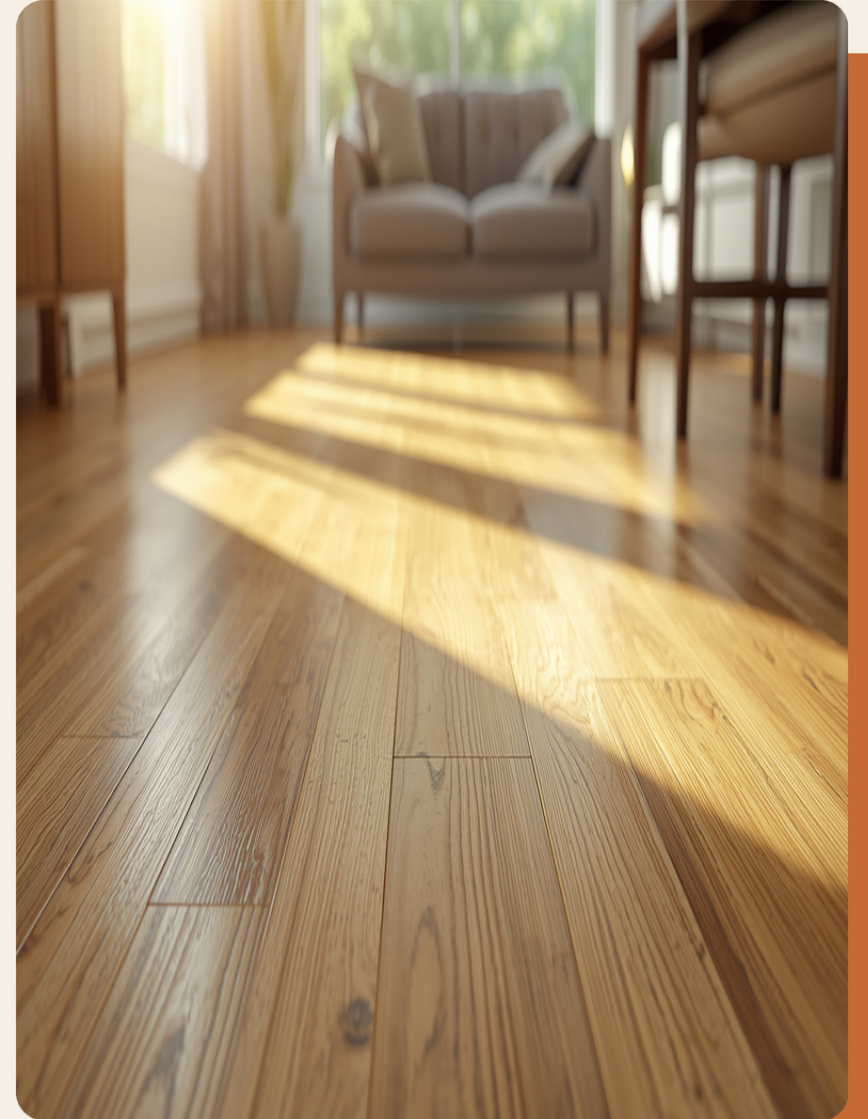

Built for Modern Living

Hybrid flooring fuses the best of laminate and vinyl into a single rigid, multi-layer board. A realistic timber-look surface sits above a stable, 100% waterproof core for exceptional durability underfoot.

Engineered to handle the demands of busy households, it resists moisture, dents and daily wear — making it ideal for kitchens, living areas and high-traffic spaces throughout the home.

WE OFFER

- Free measure & quote
- NSW acoustic certified
- Emissions & formaldehyde compliant
- NSW certified anti-slip
- Warranty on materials & installation

QUALITY, CARE & COMPLIANCE

Care & Compliance

Sweep daily and clean with a damp, pH-neutral mop. Avoid steam mops and harsh chemicals, fit felt protectors beneath furniture, and always lift items rather than dragging them across the boards.

QUALITY & COMPLIANCE

Acoustic certified

NSW acoustic performance standards

Anti-slip rated

NSW certified slip resistance

Low emission

Formaldehyde compliant materials

Warranty assured

Materials & installation covered
